The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "À SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TARIFF OF FEES.

Court of Queen's Bench } MICHAELMAS TERM, 9TH VICTORIA,
of Upper Canada. } Saturday, 15th November, 1845.

It is ordered, under the authority of the statute passed in the eighth year of her present Majesty's reign, intituled, "An Act to regulate the Fees of certain District Officers, in that part of this province called Upper Canada," that the fees in the table annexed to this rule shall be taken and received by Sheriffs, Coroners, Clerks of the Peace, Constables and Criers, respectively, in the several districts of this province, for services rendered by them, respectively, in the administration of justice, and for other district purposes, where such services were not remunerated by any law in force at the time of passing the said act.

But it is to be understood—

1st. That, besides the fees set down in this table, the several officers will be entitled, as heretofore, to receive fees for other services rendered by them, respectively, which are not mentioned in this table, wherever specific fees for such services are fixed by any statute; the Judges having no authority, under the act referred to in this rule, to make any regulation in such cases.

2ndly. That if it shall be found that a fee is specifically assigned, under any statute, for a service for which a fee has also been inadvertently fixed in this table, then, in every such case, it will be the fee mentioned in the statute which is to be charged for the service, whether it be greater or less than that set down in the table; and this rule, as to the charge for such service, will have no effect.

3rdly. That the assigning a fee, in this table, for any service rendered, cannot have the effect of entitling the officer to that or any other remuneration for such service, where there is either no necessity for the service being rendered, or where the right or duty to render it has been legally transferred to some other officer.

4thly. That in regard to public allowances which may have been heretofore paid out of the district funds to any of the officers affected by this table, and which are not in the nature of a fee, such as allowances for office rent, fuel, stationery, &c., it is not to be inferred from their not being provided for in this table, that the claim to any such allowance is denied by the Judges. In that respect the several officers will stand on the same footing as before, and the control of the Justices and of the District Council, in regard to such allowances, will continue as before; the Judges having no authority under the act either to grant, or reject, or to regulate such allowances.

It has been observed by the Judges, that in some districts the Clerk of the Peace has been allowed a certain fixed salary in lieu of fees. If such an arrangement could have been legally made before the recent statute under which this table is framed, it could not now be adopted without some alteration by the legislature of the provisions of that statute. In considering the probable advantages and disadvantages of such a mode of remuneration, it seems to the Judges, on the one hand, that it would save the Justices and the District Council much trouble, as well as the officer himself, and it would relieve the latter from the imputation of multiplying services unnecessarily, in order to accumulate fees; but, on the other hand, it is to be considered that where the business of a public office consists of a multitude of small duties, some of them very troublesome in their nature, the best security for their being duly performed is to give the inducement of a distinct remuneration for every distinct act of service; and as it seems that, under the present system, some difficulty has arisen in consequence of the Clerks of the Peace claiming the right to perform certain services which it is concluded rest now with the Clerk of the District Council, the Judges apprehend that if a fixed salary were to be substituted

for all fees, there might then be a struggle in the opposite direction, and there might possibly be found a disposition in some of the Clerks of the Peace to leave to the Clerks of the District Councils the performance of some duties which are not clearly within their province.
